

REMARKS

Claims 1, 3, and 5-8 are pending. By this Amendment, no claims are canceled, amended, or added.

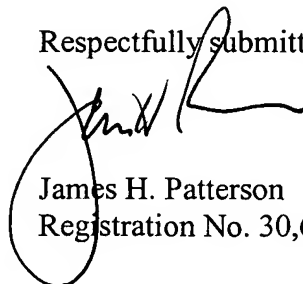

The Examiner's Amendment included with the Notice of Allowance mailed March 17, 2005, indicated that a certified copy of Chinese Application No. 03109517.8 filed April 8, 2003, had not been received. The Examiner's Amendment further indicated that the oath or declaration is defective for not identifying the previously referenced Chinese application.

Applicant hereby submits that priority is not claimed to the Chinese application. By this amendment, the specification is amended on page 1 to delete the reference to the Chinese application. A Corrected Filing Receipt mailed July 22, 2004, indicates foreign priority is claimed only with respect to Japanese Application No. 57325/2003 filed March 4, 2003, and Taiwanese Application No. 92103430 filed February 19, 2003. Applicant respectfully submits that the issues raised in the Examiner's Amendment regarding the certified copy and the oath or declaration are now moot and requests withdrawal of the same such that the application may promptly issue.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,
